Biographical Information:

Herberon contacted Sharon 1/19. Asked to be included in her database of the 12 seed races. He is available for contact and to provide information to us and any help necessary.

Herberon is the high priest of Lyra. The high priest is entrusted with all information of the race and is asked for their wisdom regarding group matters. He calls himself a Watcher and he is watching the ascension on this planet and is offering help wherever possible.

He is shown carrying a trident which symbolizes the divine masculine, feminine and God by its three prongs.
