

budget authority has been provided), the President shall transmit to both Houses of Congress a special message" describing the amount to be reserved, the relevant accounts, the reasons for the rescission, and the economic effects of the rescission. 2 U.S.C. § 683.

I will sign the Omnibus and Covid package with a strong message that makes clear to Congress that wasteful items need to be removed. I will send back to Congress a redlined version, item by item, accompanied by the formal rescission request to Congress insisting that those funds be removed from the bill.

I am signing this bill to restore unemployment benefits, stop evictions, provide rental assistance, add money for PPP, return our airline workers back to work, add substantially more money for vaccine distribution, and much more.

On Monday the House will vote to increase payments to individuals from \$600 to \$2,000. Therefore, a family of four would receive \$5,200. Additionally, Congress has promised that Section 230, which so unfairly benefits Big Tech at the expense of the American people, will be reviewed and either be terminated or substantially reformed.

Likewise, the House and Senate have agreed to focus strongly on the very substantial voter fraud which took place in the November 3 Presidential election.

The Senate will start the process for a vote that increases checks to \$2,000, repeals Section 230, and starts an investigation into voter fraud.

Big Tech must not get protections of Section 230!

Voter Fraud must be fixed!

Much more money is coming. I will never give up my fight for the American people!
