For Lightworkers and Starseeds - On Why You Are Here and What You Can Do

By Rick Jewers

One of the main reasons for this Ascension, and why You were Awakened, is to free Humanity from the enslavement/corrupt system and to eradicate the control of money, which kept that system intact, Creating a co-dependency between Each Soul here on Earth and money, to survive/exist.

You have been shown the corrupt systems for a Divine Reason, it did NOT happen by chance, because You are part of a Divine Plan, and You have the power to rectify and effect great change in a short time. To send Love in the past when a war would break out, is NOT enough, You ARE EQUIPPED with the Divine Prowess to change and steer events here and to PREVENT things like war, as We transition Humanity into Harmonious Civilization. The ability to do this lays in Your Divine Knowledge and Energetic Prowess.

You are GIVEN the controls to this present reality to do this and the power HAS BEEN taken away from the Darkness so that this is Divinely Achieved. The Darkness CANNOT HURT NOR KILL You, for if they could have, You would NOT have got this far, nor be here today. This Ascension IS ASCERTAINED and You ARE THE ONES to do this, You ARE GIVEN the Divine Prowess here on Earth to CONTROL AND STEER things Divinely, Control HAS BEEN taken away from the Darkness since 2012.
